

Anthony Independent School District
An Equal Opportunity Employer

NOTICE OF JOB VACANCY

INSTRUCTIONAL OFFICE – MATH/SCIENCE

Position Summary: To assist campuses with continuous improvement of MATH/SCIENCE curriculum and instructional strategies that will directly contribute to increased student achievement for all student special populations.

Education: Bachelor Degree [Math or Science Certification]; Master's Degree (preferred); and Valid Texas teaching certificate.

Experience: Five years teaching experience.

Knowledge/Skills:

- In-depth pedagogical/content knowledge of subject-specific (mathematics/science) processes, acquisition, assessment, and instruction
- Demonstrate leadership ability in working with other administrators, teachers, students, parents and the general public
- Demonstrate ability in communication, organizational, presentation, curriculum writing, and implementation skills

Illustrative Duties: Broad-based training in teaching and learning strategies for Math and Science. Experience in the evaluation and analysis of testing data to include disaggregation of data. Demonstrated skill in the following: organization, leadership, communication, problem solving, facilitation, collaboration, research, and team building. Ability to maintain effective working relationships with campus/district staff. Knowledge and skill in the use of technology as an instructional tool and in the use of the Internet as a resource.

Salary Range: Teacher Salary Schedule

Work Year: 2008-2009

Closing Date: Until Filled

Must submit the following documentation to:

**PERSONNEL DEPARTMENT
AISD CENTRAL OFFICE
